Working Experience

Currently **Education Mentor** Crimson Education
I am tasked with preparing students for admission exams such as the MAT and aiding them in the admission process.

Currently **Grader/Moderator** Art of Problem Solving
I am tasked with grading problems submitted by students at the AoPS courses, ranging from intermediate to advanced and Olympiad level courses. I also help students with their homework on the website's forum.

June 2020 – October 2020 **Undergraduate Researcher** Imperial College London
Formalizing Mathematical Statements in the Lean Theorem Prover as an Undergraduate Research Opportunities Programme.

Education

Study

October 2019 – Ongoing **MSci in Mathematics** Imperial College London
I am currently a MSci student at Imperial College London, studying Mathematics.

Summer 2019 **Baccalaureate Diploma** International Computer High Bucharest
I got my Baccalaureate Diploma after obtaining 10/10 in Physics, 9.9/10 in Mathematics and 9.7/10 in Romanian Language and Literature.

2016 – 2019 **High School Diploma** International Computer High Bucharest
I finished high school at the International Computer High in Bucharest.

2015 – 2016 **High School** Mihai Viteazul National College, Slobozia
I spent my first year of high school at the Mihai Viteazul National College in my hometown, Slobozia.
